Working Conditions

Environment Temperature: 5 - 49°C (41 - 120°F)

Inlet Water Temperature: 5 - 70°C (41 - 158°F)

Water Pressure: 0.14 MPa- 0.41 MPa

Connection Size: 3/8" Compression

Notes Before Installation

- To reduce the risk of injury or property damage, read and follow all of the installation instructions before installing this product and wear safety glasses.
- This product must be installed in accordance with all state and local plumbing and building codes.
- Call a professional if you are uncertain about installing this product properly.
- Notice: KES is not responsible for damage to the faucet caused by extreme weather which causes inlet water temperatures below 5°C (41°F) or above 70°C (158°F).
- Choking hazard. Please keep all small parts and plastic bags out of the reach of children.

Recommended Installation Distance

Operations

Product Installation

Before installation, you should ideally flush your plumbing pipes to clean any debris or sediment by letting the water run for a few minutes. Next, turn off your sink water supply.

NOTE: Not for bathtub use.

Product Installation

Product Installation

Low Pressure / Slow Flow? Check and clean the aerator!

Default aerator is 1.2 gpm, compliant with California Energy Commission (CEC) regulations.

Contact KES to obtain a replacement kit for the aerator if needed. Please check your local plumbing codes to ensure compliance before making any changes.

Care Instructions

Cleaning:

To keep the product looking new, please follow these simple care instructions:

DO:

- Daily Maintenance

For best results, perform this descaling treatment every one to three months. Regular maintenance will help keep the product looking its best for years.

Note:

Test scale remover in an inconspicuous area of the product finish before using it widely to check for compatibility.

DO NOT:

- Do not use cleaning products with acidic, caustic, bleach, or mildly alkaline properties and those labeled as rust removers.
- Do not use cleaning materials or appliances with an abrasive effect, such as unsuitable cleaning powders, sponge pads or microfiber cloths.

Failure to follow these care instructions may damage the product finish.

Lifetime Limited Warranty

Faucets

KES warrants its faucets purchased from authorized sellers to be leak and drip free as long as the original consumer owns their home in which the product was first installed (the "Warranty Period" for homeowners). For all other purchasers (including purchasers for industrial, commercial and business use) are warranted for a period of 3 years from the original date of purchase (the "Warranty Period" for non-homeowners).

Other Products

Products other than faucets are backed by a 1-Year Limited Manufacturer's Warranty (the "Warranty Period" for non-faucet products).

What We Will Do

If a faucet should ever develop a leak or drip during the Warranty Period, KES will FREE OF CHARGE provide the parts necessary to put the faucet back in good working condition.

For non-faucet products, KES will replace FREE OF CHARGE any part that proves defective in material and manufacturing workmanship during the Warranty Period.

If repair or replacement is not practical, KES may elect to refund the purchase price in exchange for the return of the product.

What Is Not Covered

KES shall not be liable for any damage to the product resulting from reasonable wear and tear, installation and maintenance errors, outdoor use, freezing water, abuse, misuse, and use of cleaners containing abrasive cleansers, ammonia, bleach, acids, waxes, alcohol or other organic solvents.

KES is not responsible for removal, installation, labor charges, or other incidental or consequential costs. In no event shall the liability of KES exceed the purchase price of the product.

KES AND/OR SELLER ARE PROVIDING THESE WARRANTIES IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. KES AND/OR SELLER DISCLAIM ALL LIABILITY FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES.

Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so these limitations and exclusions may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from jurisdiction to jurisdiction.

This warranty applies only to KES products sold in North America and Europe.

Supplementary Terms

Warranty terms may vary depending on the laws and regulations of the country or region where the product is sold. Consumers may have statutory warranty rights under local consumer protection laws that are not affected by the terms of this commercial warranty. For specific warranty rights applicable in your region, please refer to local consumer protection legislation.
